Focus Awards Limited is committed to minimising the impact of its activities on the environment.

The key points of its strategy to achieve this are:

- Minimise waste by evaluating operations and ensuring they are as efficient as possible
- Minimise toxic emissions through the selection and use of its energy and the source of its power requirement.
- Actively promote recycling both internally and amongst its customers and suppliers
- Source and promote a product range to minimise the environmental impact of both production and distribution.
- Meet or exceed all the environmental legislation that relates to the Company
- Use an accredited programme to offset the greenhouse gas emissions generated by our activities.
