#### Focus Awards Level 3 Diploma in Personal Training (RQF)

QRN: 601/4888/3 GLH: 293 TQT: 480 Credit: 48

#### **Qualification Purpose:**

The purpose of this qualification is to provide learners with the necessary skills, knowledge, and competence to work unsupervised as a personal trainer in sport and active leisure.

The Focus Awards Level 3 Diploma in Personal Training (RQF) is aimed at exercise instructors who are capable of planning, delivering, and evaluating physical activity programmes independently and without direct supervision.

#### Age Ranges

Entry is at the discretion of the centre. However, learners should be aged 16 to undertake this qualification.

#### Geographical Coverage

This qualification is available in England and Northern Ireland.

#### Learner Entry Requirements

Some experience of gym-based exercises, including free weights, is highly recommended.

The qualification requires physical exertion and individual participation is essential; therefore, a degree of physical fitness is necessary.

There is also an element of communication (discussing, presenting, reading, and writing) involved and learners should have basic skills in communication at level 2.

#### Reasonable Adjustments and Special Considerations

Please refer to the Focus Awards 'Reasonable Adjustments and Special Considerations Policy'. A copy is available for download from the Focus Awards website at the following url: <u>https://www.focusawards.org.uk/wp-content/uploads/2016/08/Reasonable-Adjustments.pdf</u>

#### Assessment Methods

This qualification is Internally Assessed. Each learner must create a portfolio of evidence that demonstrates achievement of all the learning outcomes and assessment criteria associated with each unit.

The main pieces of evidence for the portfolio could include some or all of the following:

- Assessor observation
- Witness testimony
- Learner product
- Worksheets
- Assignments/projects/reports
- Record of oral and written questioning
- Learner and peer reports

# Staff Requirements

#### **Requirements for Tutors/Instructors**

Tutors delivering the qualification will be required to hold or be working towards a teaching qualification. This may include qualifications such as the Levels 3, 4 or 5 in Education and Training, or a Certificate in Education. Focus Awards will consider other teaching qualifications upon submission. Tutors must also be able to demonstrate that they are occupationally competent within the sector area.

#### **Requirements for Assessors**

Assessors will be required to hold or be working towards a relevant assessing qualification. This includes qualifications such as:

- Level 3 Award in Assessing Competence in the Work Environment
- Level 3 Award in Assessing Vocationally-Related Achievement
- Level 3 Certificate in Assessing Vocational Achievement

Focus Awards will consider other relevant assessing qualifications upon submission. Assessors who only hold the Level 3 Award in Understanding the Principles and Processes of Assessment will be required to complete an additional programme of study to achieve the relevant competency units required for one of the qualifications listed above. Trainee assessors who do not hold an assessment qualification will require their decisions to be countersigned by a suitably qualified assessor.

Assessors must also be able to show they are occupationally competent within the sector area.

#### Requirements for Internal Quality Assurers (IQA)

Internal Quality Assurers should hold or be working towards the following an IQA qualification. This may include qualifications such as the V1 (previously D34), or the Level 4 Award in the Internal Quality Assurance of Assessment Processes and Practice. Focus Awards will consider other relevant IQA qualifications upon submission. Trainee IQAs who do not hold an IQA qualification will require their decisions to be countersigned by a suitably qualified IQA. IQAs must be able to demonstrate occupational competence.

# Handy vocabulary of terms used in this specification

This table explains how the terms used in Focus Awards' Qualification Specification content are applied. Not all terms are necessarily used in this particular qualification.

Apply	Explain how existing knowledge can be used in new or different situations.				
Analyse	Break the subject down into individual parts. Examine each, show how they fit together, whether they support each other and why they're important. Reference to current research or theory may add weight to your analysis.				
Clarify	Clearly and concisely explain the information presented.				
Classify	Organise in alignment with specified criteria.				
Collate	Gather and organise information in a logical order (e.g., alphabetically, numerically, chronologically etc.).				
Compare	Examine the subjects in detail to identify differences and similarities.				
Critically compare	Similar to 'compare' above but consider any positive aspects and/or limitations/restrictions arising from identified differences and similarities.				
Consider	Think critically about a presented situation, problem, action, or decision, and explain it. Also see 'explain' below.				
Demonstrate	Describe or explain knowledge or understanding by providing examples or illustrations.				
Describe	Write about the subject, presenting detailed information logically.				
Develop	Expand a plan or idea by adding more detail and/or depth of information.				
Diagnose	Collate and consider appropriate evidence to identify the cause or origin of a situation or problem.				
Differentiate	Identify the differences between 2 or more arguments, situations, or subjects.				
Discuss	Create a detailed account from a range of viewpoints, opinions, or perspectives.				
Distinguish	Explain the difference between 2 or more items, resources, pieces of information.				
Draw conclusions	Derive a reason or logic-based decision or judgement.				
Estimate	Use existing knowledge, experience, and other relevant information to arrive at an approximate or 'best guess' opinion or judgement.				

Examine strengths and weaknesses, consider arguments for and against, and/or similarities and differences. Assess any presented evidence from different perspectives and arrive at a valid conclusion or reasoned judgement. Reference to current research or theory may support the evaluation.		
Present detailed information about the subject with reasons showing how or why it's included. Include examples to support these reasons where possible.		
Use existing knowledge and data to predict possible outcomes or results that might be outside the expected 'norm'.		
Recognise and name the main points accurately. Additional description or explanation mathematics be needed to aid clarity and attribute credibility.		
Explain how to put an idea or plan into action.		
Explain the meaning of something.		
Form an opinion or make a decision.		
Provide a satisfactory explanation for actions or decisions.		
Carry out a task or process to meet the requirements of the question.		
Create and record (list) a logical, organised sequence of information, required resources and actions/events that enable a concept or idea to be crystalised and communicated.		
Identify and deliver detailed and accurate information related to the subject.		
Consider actions, experiences or learning and how these may impact practice and/or professional development.		
Look back over the subject and make corrections or changes to improve clarity or better demonstrate understanding.		
Make an informed choice for a specific purpose or required outcome/result.		
Supply evidence to demonstrate accurate knowledge and understanding.		
Provide the main points clearly in sentences or paragraphs.		
Convey the main ideas or facts concisely.
