Focus Awards Level 4 Certificate in Nutrition for Weight Management and Athletic Performance (RQF)

QRN: 603/5682/0

GLH: 208

TQT: 331

Qualification Purpose:

The Level 4 Certificate in Nutrition for Weight Management and Athletic Performance qualification will provide the learner with the skills, knowledge and competence to provide nutritional support to clients with a range of weight management and athletic performance goals. The qualification can be completed with no prior anatomical, physiological or nutritional background as the learner will journey through the fundamentals of human anatomy and physiology and how the food we eat and supplements we take, impact on these basic systems. Once achieved, this elementary content is expanded upon and applied in a practical environment to ensure the learner can competently:

- Obtain client data to perform a nutritional analysis of their client's current eating regime.
- Analyse collated data and summarise to a client their current nutritional status and areas where support can be applied.
- Develop nutritional strategies for achieving specific weight management and/or athletic performance goals.
- Design appropriate eating plans for clients who are apparently healthy, taking into account a myriad of possible considerations.

Age Ranges:

Entry is at the discretion of the centre. However, learners should be aged 16 to undertake this qualification.

Geographical Coverage:

This qualification is available in England.

Learner Entry Requirements:

It is recommended that learners have subject knowledge at least at level 2 however, this is not essential. Focus Awards does not set any other entry requirements, but additional criteria may be requested or specified by the centre.
