Staff Requirements

Requirements for Tutors/Instructors

Tutors delivering the qualification will be required to hold or be working towards a teaching qualification. This may include qualifications such as the Levels 3, 4 or 5 in Education and Training, or a Certificate in Education. Focus Awards will however; consider other teaching qualifications upon submission. Tutors must also be able to demonstrate that they are occupationally competent within the sector area.

Requirements for Assessors

Assessors will be required to hold, or be working towards a relevant assessing qualification. This includes qualifications such as:

- Level 3 Award in Assessing Competence in the Work Environment
- Level 3 Award in Assessing Vocationally-Related Achievement
- Level 3 Certificate in Assessing Vocational Achievement

Focus Awards will however; consider other relevant assessing qualifications upon submission. Assessors who only hold the Level 3 Award in Understanding the Principles and Processes of Assessment will be required to complete an additional programme of study to achieve the relevant competency units required for one of the qualifications listed above.

Trainee assessors who do not hold an assessment qualification will require their decisions to be countersigned by a suitably qualified assessor.

Assessors must also be able to show they are occupationally competent within the sector area

Requirements for Internal Quality Assurers (IQA)

Internal Quality Assurers should hold or be working towards the following IQA qualification. This may include qualifications such as the V1 (previously D34) or the Level 4 Award in the Internal Quality Assurance of Assessment Processes and Practice. Focus Awards will however; consider other relevant IQA qualifications upon submission. Trainee IQAs who do not hold an IQA qualification will require their decisions to be countersigned by a suitably qualified IQA. IQAs must be able to demonstrate occupational competence.

Vocabulary of terms

This table explains how the terms used in Focus Awards' Qualification Specification content are applied. Not all terms are necessarily used in this qualification.

Apply	Explain how existing knowledge can be used in new or different situations.
Analyse	Break the subject down into individual parts. Examine each, show how they fit together, whether they support each other and why they're important. Reference to current research or theory may add weight to your analysis.
Clarify	Clearly and concisely explain the information presented.
Classify	Organise in alignment with specified criteria.
Collate	Gather and organise information in a logical order (e.g., alphabetically, numerically, chronologically etc.).
Compare	Examine the subjects in detail to identify differences and similarities.
Critically compare	Similar to 'compare' above, but consider any positive aspects and/or limitations/restrictions arising from identified differences and similarities.
Consider	Think critically about a presented situation, problem, action or decision, and explain it. Also see 'explain' below.
Demonstrate	Describe or explain knowledge or understanding by providing examples or illustrations.
Describe	Write about the subject, presenting detailed information logically.
