Qualification Purpose

The Focus Awards Level 4 Certificate in Micropigmentation (RQF) is aimed at those learners who are experienced beauty therapists and looking to add a specialism to their portfolio of skills. The purpose of the Focus Awards Level 4 Certificate in Micropigmentation (RQF) aims to provide learners with the knowledge, understanding and skills needed to prepare and provide micropigmentation treatment safely.

Age Ranges

Entry is at the discretion of the centre however; learners should be at least 18 to undertake this qualification.

Geographical Coverage

This qualification is available in England.

Learner Entry Requirements

A learner must have previously completed a level 3 Beauty Therapy-related qualification

In circumstances where learners do not hold a formal qualification, but have a minimum of 2 years' occupational experience, entry to the qualification may be considered subject to a centre interview and review by Focus Awards of current knowledge, understanding and skills.

Learners will be required to demonstrate their ability to cope with the demands of the programme, and entry via this route will be assessed on an individual basis. Centres must ensure that evidence of pre-requisite knowledge and skills – whether through formal qualifications, or assessment of experience - is retained and available upon request by Focus Awards.

Centres should submit an RPL form where appropriate, selecting the 'Equivalence' option for requests for recognition of industry experience, or 'RPL' where other types of qualifications

are being submitted for consideration. Evidence may include certificates, CV, insurance documentation (where applicable), and any portfolios showcasing the learner's work.

Reasonable Adjustments and Special Considerations

Please refer to the Focus Awards 'Reasonable Adjustments and Special Considerations Policy'. A copy is available for download from the Focus Awards website at the following URL:

Assessors who only hold the Level 3 Award in Understanding the Principles and Processes of Assessment will be required to complete an additional programme of study to achieve the relevant competency units required for one of the qualifications listed above.

Trainee assessors who do not hold an assessment qualification will require their decisions to be countersigned by a suitably qualified assessor.

Assessors must also be able to show they are occupationally competent within the sector area

Requirements for Internal Quality Assurers (IQA)

Internal Quality Assurers should hold or be working towards the following an IQA qualification. This may include qualifications such as the V1 (previously D34), or the Level 4 Award in the Internal Quality Assurance of Assessment Processes and Practice. Focus Awards will however; consider other relevant IQA qualifications upon submission. Trainee IQAs who do not hold an IQA qualification will require their decisions to be countersigned by a suitably qualified IQA. IQAs must be able to demonstrate occupational competence.

Vocabulary of Terms

This table explains how the terms used in Focus Awards' Qualification Specification content are applied. Not all terms are necessarily used in this qualification.

Apply	Explain how existing knowledge can be used in new or different situations.
Analyse	Break the subject down into individual parts. Examine each, show how they fit together, whether they support each other and why they're important. Reference to current research or theory may add weight to your analysis.
Clarify	Clearly and concisely explain the information presented.
Classify	Organise in alignment with specified criteria.
Collate	Gather and organise information in a logical order (e.g., alphabetically, numerically, chronologically etc.).
Compare	Examine the subjects in detail to identify differences and similarities.
Critically compare	Similar to 'compare' above, but consider any positive aspects and/or limitations/restrictions arising from identified differences and similarities.
Consider	Think critically about a presented situation, problem, action or decision, and explain it. Also see 'explain' below.
Demonstrate	Describe or explain knowledge or understanding by providing examples or illustrations.
Describe	Write about the subject, presenting detailed information logically.
Develop...	Expand a plan or idea by adding more detail and/or depth of information.
Diagnose	Collate and consider appropriate evidence to identify the cause or origin of a situation or problem.
